

INVITATION

Dear Friends:

We are pleased to invite you and your colleagues to the “**International Conference on New Materials, Nanotechnology and New Green Energy 2014 (the EITA-New Materials 2014) or (the EITA-EITC 2014)**” (<http://tinyurl.com/EITA-NewMaterials2014>). The EITA-New Materials 2014, a free event (no charge), will be held on Saturday-Sunday, November 22-23, 2014 at the Yun-Suan Sun Green Building Research Center, National Cheng Kung University, Tainan, R.O.C. (Taiwan) (成功大學孫運璿綠建築研究大樓).

The theme of the EITA-New Materials 2014 is “**Recent Research Advances in New Materials, Nanotechnology and New Green Energy**“. We have invited more than 90 distinguished speakers to give talks at the Conference. Speakers will speak on the following topics:

- **Workshop 1 (W1):** Bio-Materials, Bio-SoC, Bio-Nanotech, Bio-NEMS/Bio-MEMS, and Water Purification Technology
- **Workshop 2 (W2):** Electronic, Photonic, and Magnetic Materials, Organic Polymer and Soft Materials
- **Workshop 3 (W3):** New Green Energy Materials, Ceramic Materials, Metallurgy and Materials
- **Workshop 4 (W4):** Smart Grid Technologies and Network Communications, New Green Energy Technologies and Green Buildings

Join us at the two-day Conference with your peers in business and R&D community to learn, share and connect. We look forward to meeting you on Saturday-Sunday, November 22-23, 2014 at the EITA-New Materials 2014 (or the EITA-EITC 2014).
